New Business	PRO Grant Planning • Westdale Cinema Night: the hope is to share student art on the big screen at the outset, have a bake share, and then show a film, ideally all covered. Costs: \$275/hour for 2 hours, comes with 2 staff plus HST; \$30/hour for an extra staff, the film is about \$300, so about \$980. We may need to supplement from the parent engagement fund. We aren't permitted to make money but we could think about inviting \$2 donations. We'll ask the Westdale for spring dates perhaps March 5 which is the night before a PA day. Additional Plans • As a second event, maybe an after school or weekend picnic in June at Churchill Park that can be scaled up to include a scavenger hunt / a hike / other activities if there is volunteer capacity. RealFruity could be invited.
